

# Zone Worksheet

**This worksheet lists some common activities, associated furniture, rooms and storage needs that may help you decide what you need in your room.**

- Step 1:** Indicate with a check mark next to activities you do and want to do in this room. \*Whole House Activities Worksheet.
- Step 2:** Indicate with a check mark next to the furniture you think you need to accommodate those activities in this room.
- Step 3:** In the second column, identify what types of items need to be stored in this space for the identified activities by placing a checkmark to the left of each category.
- Step 4:** Measure and record the height of the largest item (including needed head space) for each category.
- Step 5:** Measure and record the needed horizontal space of closet, drawer or shelf space to accommodate the amount of this items for each category.
- Step 6:** In the first column, write in any additional furniture needed for the storage items.
- Step 7:** In Module 4, indicate the needed size range of furniture to fit newly designed layout.
